Western Australia - Vehicles are not permitted to be driven on the Gibb River Road, the Tunnel Creek Road, the Windjana Gorge Road, the Cape Leveque Road or to the Bungle Bungles.

South Australia - No vehicle may be driven north from the Oodnadatta Track. This includes the following areas: Dalhousie Springs, Mount Dare, Witjira National Park, Pedirka Desert

Kangaroo Island - 2WD vehicles may be taken to Kangaroo Island.
- Standard terms and conditions apply if a vehicle is damaged on the ferry.
- One way rentals are not available to/from the Island.
- 2wd vehicles are **not** to be driven on unsealed roads on Kangaroo Island. This policy is strictly enforced.

Dusk to Dawn Driving - Night driving is not permitted in any region designated as remote (Northern Territory, Kimberley, Exmouth, Kangaroo Island). This is a road safety issue. If an accident occurs between dusk and dawn the renter is responsible for all damage irrespective of the circumstances.

Trains - Vehicles may be taken on trains.

Change of Drop Off Destination

If the renter wishes to change the drop off destination after the rental has commenced, they first must obtain authorisation from Head Office. Subject to the change being approved, a minimum additional charge of \$700 will apply.

Rental Extension

If the customer wishes to extend the rental whilst on hire, they must first obtain authorisation from Reservations who will advise of the additional costs. Rental extension is subject to fleet availability. Additional days will be charged, direct to the client, at the local "Extra Days" rate.

Failure to obtain authorisation will result in the renter being charged double the daily gross rental rate.

Infringements Fees

We reserve the right to charge the renter for any speeding, toll way or parking fines not reported on return of the vehicle. In addition to these costs, we reserve the right to charge for associated administration costs for processing the fines (irrespective of excess). An infringement administration fee of \$33 will be applicable.

Tollway Infringements

Most toll roads in Australia are fully electronic – i.e.: there are no toll booths to pay with cash. If a renter chooses not to purchase available "e-passes" they will be liable for any applicable toll charges plus the Infringement administration fee.

Roadside Assistance

In the unlikely event of your vehicle being disabled, we offer a 24 hour Roadside Assistance service. Please call 1800 996 010 if this service is required.

If a breakdown occurs in any areas outside major cities including the Northern Territory, Roadside Assistance may take extended hours to fulfil

Change Of Vehicle

Should the vehicle booked be unavailable through unforeseen circumstances, we reserve the right to substitute an alternative vehicle without prior notification and at no extra cost. This shall not constitute a breach of contract and does not entitle the renter to a refund.

Travel Insurance

We strongly recommend that renters ensure they take out the highest level of Travel Insurance.

PROTECTION PACKAGE

Third Party Property and Injury Insurance Cover

Third Party Property Liability Insurance is automatically covered under a third party property damage Master Policy executed by the rental company and is subject to the renter complying with all Terms and Conditions of the rental and payment of the Accident Damages Excess. Third Party Liability cover for personal injury is governed by separate Government legislation in each Australian State and Territory. The right to claim may be limited by the legislation and excesses may apply.

There are many factors relevant to a determination of which third party liability cover for personal injury will apply in the event of an accident, such as the state or territory in which a vehicle is registered, the state or territory in which the accident occurs and the state or territory in which another driver or injured person resides. Should an accident in which a person is injured occur, the renter must contact the police and the rental company.

This summary of the cover available throughout Australia is meant as a guide only and no warranty of accuracy or reliability is given or responsibility accepted by the rental company for the information contained below. In the event of an accident, the renter should make independent enquiries of the relevant insurer of the vehicle.
