

# CHOOSE YOUR OWN ADVENTURE

**E**xperience swimming in the tranquil warm waters of the Ningaloo reef with the famous whale sharks or trekking through some of Australia's World Heritage regions such as Purnululu National Park, Kimberley region or Coral Coast. Crikey Camper Hire's Off-road Camper Package is for you!

Our robust and functional Off-road Camper will let you take your accommodation with you to the more remote locations, whilst not sacrificing any level of comfort.

Our Off-road Campers, which are all less than 2 years old,

are equipped with an outdoor kitchen, 100 litres of fresh water, deep cycle battery, large enclosed awning and sleeping for up to 5 in "off the ground" comfort. This is "Camping Made Easy".

*Have your own safari accommodation on wheels*

The innovative design of our Off-road Campers will ensure that your accommodation remains dust and water free no matter where you choose to travel, whether along a dusty, gravel road or through water crossings on the iconic Gibb River Road.

The design also caters for all bedding to remain "made up" whilst touring, ensuring more time for you to enjoy the region and less time setting up your camp for the night.

Our fleet of current model "safari ready" Toyota vehicles can take you wherever you want to go, equipped with a fridge, satellite phone\*, UHF radio, driving lights, long range fuel tanks, bull bar and Crikey's safety equipment, which is included with all vehicles. All of this means planning one of Australia's iconic road trips has just been made that one step closer. \* call charges extra
